You are applying for a scholarship for the "ACBC EXAM MENTORSHIP" course paid in full by the SELAH SEEDS program. This course is offered through the Low Country Biblical Counseling Center in Charleston, SC. (www.onlineschoolbc.com) **LCBCC is an ACBC certified training center. All their training courses and materials are approved and certified by the Association of Certified Biblical Counselors (ACBC), the largest national certifying organization for biblical counseling.**

Please read carefully the below detailed description of the biblical counseling course for which you are applying. This course covers the major topics that the Association of Certified Biblical Counselors have included on their exam and are essential in an effective ministry in counseling. The GTC-Exam Writing is a guided-to-completion course designed to assist you in completing the second phase of your certification by ACBC within six months. This course includes video lessons taught by one of the most seasoned biblical counselors in the field today, Dr. Ron Allchin, and by the director of the LCBCC, Tim Bryant. The videos address each of the exam questions and provide Scripture and references for further study. You will also have weekly interaction with an instructor/mentor who will help you stay on track and who will review your exam answers and offer helpful suggestions.

At the end of this course, you will:

1. Be ready to submit your counseling and theology exam answers to ACBC for completion of phase two of certification.
2. Be eligible for the supervision phase (final phase of certification) after your exams are approved by ACBC.

Here are a few details to keep in mind as you begin the ACBC EXAM MENTORSHIP course:

- There are 44 essay exams (20 counseling exams and 24 theology exams). LCBCC has recorded a video lesson that covers each of these exams. Take great notes as you watch the video, then write the essay for that exam.
- Every exam question submitted within a 6-month period of time will be reviewed and appropriate help given by a certified instructor. You may submit up to 2 questions a week. As you are awaiting a response/graded exam from your instructor, continue watching the videos and writing the next few exams.
- Each student will have access to the ACBC exam instructional videos for up to 12 months. To make the most of the access to the instructor, though, you will need 2-3 hours a week to invest for 6 months. Mark your calendar on the day you submit the first exam to your instructor. You have access to your instructor's help for 6 months from that day.

ACBC Certification Process:

Phase 1: Students complete the ***Change That Sticks*** course which provides a thorough 45 video course with reading assignments and the 10 counseling observations in Biblical counseling and change (certified by ACBC).

Phase 2: Students then take the ***ACBC Exam Mentorship*** course to receive help on any of the 44 exam questions in which guidance is needed.

Phase 3: Once your exams are approved by ACBC, you may begin the ***counseling supervision process*** with an ACBC fellow. (SICM will cover the ACBC fellow fee for his services.)

Upon completion of all three steps, you are certified!
