Distinctives and Consent to Counsel

Our Confidence in Biblical Counseling

At Selah International Counseling Ministries, we are confident that the Bible contains all the necessary information for your life and your need for godliness (2 Peter 1:24). We do not need to go outside its pages to find the answers. Though it is not a medical book, it is a spiritual, relational, and behavioral Book from God Himself. When God's Word speaks to our problem or trouble, it is the authority in explaining why the problem exists. There is no other book or counsel so worthy of our attention as we seek explanations and solutions to all our woes. Those who put their hope in His Word will never be ashamed. If we follow His counsel, we will always be led in the right way – to a deeper faith and practical obedience in Jesus Christ. Simply stated, the Bible guides us through our problems to Jesus Christ. There is not and never will be another counselor more wise, more powerful, more loving, more insightful, and more worthy than Him. In Him, we will find all we need. He is sufficient and His Word is sufficient in leading us to Him.

What You Can Expect

- 1) We will carefully gather all the information needed to understand your unique situation.
- 2) You will receive biblical hope and encouragement that your problems can be solved.
- 3) You will gain biblical insights into the root causes of your problems.
- 4) You will learn to think and respond to your trouble in ways that will lead to lasting changes and solutions.

Our Expectations

Please bring your Bible and notebook to take notes (whether in person or virtual), ready to prayerfully work on specific changes God's Word prescribes for you. You will be asked to complete homework between sessions. Each assignment will be relevant to your presenting problem and will help you find biblical resolution more quickly.

It is important for you to attend a local Christian church that believes and teaches God's Word clearly and unashamedly. Fellowship with God's people is essential to promoting and sustaining the things God will be doing in your life through biblical counseling. In some cases, and with your approval, we will ask a Pastor or another mature Christian or to join us in the counseling process for the purpose of supporting you more personally through prayer and a caring relationship.

Confidentiality Policy

The Bible clearly says gossip is wrong. Therefore, SICM will not release information about counselees except in the few situations required by the Bible or by the law. Those situations are:

- 1) When the information presented by the counselee may involve criminal or illegal practices or if the counselee poses a threat to himself/herself or others.
- 2) When there is a clear indication that someone may be physically or sexually abused unless others intervene.
- 3) When a child or elder over the age of 65 is physically or sexually abused
- 4) When a person persistently refuses to biblically repent of and renounce a particular sin and it becomes necessary to seek the assistance of others in the church to encourage repentance and reconciliation. (Proverbs 15:22; 24:11; Matthew 18:15-20)

Please be assured that our counselors strongly prefer not to disclose personal information to others, and they will make every effort to help you find ways to resolve a problem as privately as possible.

Cost

It costs Selah International \$130 per session to provide this level of personalized counseling and solutions. However, we do not want financial reasons to keep anyone from receiving biblical counseling. If the cost of counseling is a concern, we have a limited number of scholarships available for those in full-time ministry. Please contact us directly for more information regarding these scholarships at info@selahinternational.org. Please note that we require a notification of one, full business day before a cancellation or rescheduling of an appointment. The only exceptions are in the case of an emergency.
